

CONSENT TO PARTICIPATE IN THE USE OF THE "MELOMIND" SOLUTION

I was told that:

- The trial of the "MELOMIND" Solution is organized by CYREBRO NEURO SIGNALS in its capacity as data controller in accordance with the Personal Data Regulations, namely Law No. 78-17 of January 6, 1978 relating to information technology, files and freedoms, as amended by subsequent texts, Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016 applicable from May 25, 2018 as well as any other provision that complements them or replaces them at a later date;
- The purpose of testing this Solution, which does not present any risk to the user's health under normal conditions of use, is for CYREBRO NEURO SIGNALS to evaluate the cognitive processes involved in the relaxation mechanisms through the analysis of data on the brain activity of the user of the MELOMIND Solution, and more specifically:
 - Measure, evaluate and carry out research on the cognitive processes involved in the mechanisms of relaxation, stress management, emotions, sleep, attention and relaxation through the practice of neurofeedback.
- Data relating to my identification (surname, first name, email address), data relating to my physiological activity (EEG), data relating to my feelings (level of anxiety, stress, and level of relaxation) and other data (age, gender, level of study, profession, place of residence, sports or artistic activity and previous experience related to relaxation) (hereinafter "Personal Data") will be exclusively transmitted to CYREBRO NEURO SIGNALS, in a secure way. This data is also accessible by:
 - Its processors, so that they provide and maintain the physical infrastructures for hosting this data to ensure its services, which provides sufficient guarantees as to the implementation of appropriate technical and organizational measures so that the processing meets the requirements of the European Data Protection Regulation,
 - CYREBRO NEURO SIGNALS' research partners in the context of pseudonymized statistical data feedback.
- My Personal Data is processed for the following purposes:
 - To offer me a personalized relaxation assistance program via the application and to respond to my requests within the framework of the T&Cs relating to the sale of the headset and the T&Cs relating to the use of the application,
 - To enable the training of the algorithms at the basis of CYREBRO NEURO SIGNALS' activity and to constitute the training databases (the data used here will not be identifying),
 - To allow CYREBRO and its partners to carry out statistics and scientific research (the data used here will not be identifying).
- The Personal Data concerning me will remain strictly confidential and will be kept by CYREBRO NEURO SIGNALS for the duration of the use of the headset and the application, then up to three years from the closure of the user account and finally two years in archives for evidentiary purposes only in the event of litigation. The data kept for the purpose of building training databases and for statistical or scientific research purposes will be kept without any time limit since they will be anonymised and will no longer allow the identification of individuals,
- I am free to accept or refuse as well as to stop my participation at any time without having to justify myself. I am free to withdraw my consent at any time. I retain all my rights guaranteed by the Personal Data regulations, namely the exercise, if necessary after communication of a valid identity document, of my rights of access, rectification, erasure, if necessary, portability, limitation of processing as well as a right to object, possibly subject to legitimate and compelling reasons, to the processing of my data. I can also define guidelines relating to the fate of Personal Data in the event of death with CYREBRO NEURO SIGNALS,
- I may at any time lodge a complaint with the competent supervisory authority, request information from the organizers of CYREBRO NEURO SIGNALS, in particular from its data protection officer, at the email address: legal@cyrebro.com or at the following postal address: DPO Service, CYREBRO NEURO SIGNALS, 28 rue des Petits Hôtels, 75010 Paris. I have the right to obtain compensation for the damage suffered in the event of material or moral damage due to the violation of the Personal Data Regulations,
- In view of all these elements, I accept the processing of Personal Data concerning me in accordance with the Personal Data Regulations.
